

Holy Family Parish - Board Game Cafe

Dear Parent/Guardian,

Welcome to the Holy Family Parish Board Game Café. The café is free of charge and is open to ALL teenagers from their 14th birthday until the end of school year 13.

The café is a place where young people can meet and be themselves. They can come alone, bring friends (if they register) make new friends and play and learn new board games. We have teenage Youth Leaders on our Leadership Group so we try to keep up to date and ensure that have some 'Lit' games as well as some traditional ones. NB. The café is open to all teenagers not just those who attend our Catholic churches.

The café has a tuck shop, and all food and drinks are sold at cost price. The Boardgame Café food Allergy Policy is on our web page. Please ensure that you and your teenager are familiar with this policy and able to abide by it.

We do have a few policies which we need all attendees to comply with. This helps us to make sure that all teenagers have the best experience! The Board Game Café Behaviour Policy is also on our website. We require everyone who is attending to sign up to this policy. We have a sign in/sign out requirement and we also ask that mobile phones are kept in pockets or bags. We want everyone to be present and have fun and join in the games in person.

We want our Café to be as inclusive as possible therefore we would like to know if your teenager has any additional needs or is there anything that would help them to participate comfortably and safely

The café will be open once a month (to begin with) usually on a Sunday afternoon 3pm - 5pm. NB. There will be a café on Saturday 13th March as there is no Sunday availability that weekend. Numbers attending the café will be restricted by the number of adult volunteers available and so we require teenagers to be booked in for every session in advance. All our volunteers have the appropriate DBS check and there will be a registered first aider available.

Please go to the Board Café Registration Form – To register your teenager and then Book them in for the session on 8th November. (links below)

A Reminder:

We will also need you to contact us and book them a place **on every occasion that they wish to attend a session. We will need contact details for you for that session. Entry is by booked place only.**
